

Tyler J. S. Smith, PhD, MPH

www.tylerjssmith.com | tylersmith@jhu.edu

Education

2019-2023	Johns Hopkins Bloomberg School of Public Health PhD in Exposure Science and Environmental Epidemiology
2014-2015	Johns Hopkins Bloomberg School of Public Health MPH in Epidemiologic and Biostatistical Methods
2007-2011	Johns Hopkins University BA in History

Other Training

2022	Student Dissertation Workshop Society for Epidemiologic Research (SER) Annual Meeting
2021	Environmental Mixtures Workshop Columbia University SHARP Training Program
2017	U.S. Based National Health Surveys Johns Hopkins Bloomberg School of Public Health Summer Institute

Professional Experience

2016-2019	Earthjustice Staff Scientist, Sustainable Food & Farming
2015-2016	Consumer Reports Manager, Food Safety & Sustainability
2011-2015	Johns Hopkins Center for a Livable Future Program Officer

Professional and Editorial Activities

Committees	Co-Chair, Chemicals & Health Committee, Environment Section (2017-2019) American Public Health Association
Sessions Organized	Taking Action to Defend Science and Protect Public Health at the Environmental Protection Agency American Public Health Association Philadelphia, PA, 2019 November 5

Climate-Friendly Farming: A Public Health Imperative
American Public Health Association
Atlanta, GA, 2017 November 6

Sessions
Moderated Metal Mixtures
International Society for Environmental Epidemiology North America Chapter
Corvallis, OR, 2023 June 22

The Environment and Reproductive Risks
American Public Health Association
Denver, CO, 2016 November 2

Reviewer *Environmental Health Perspectives*
Environmental Research

Honors and Awards

2018 Committee of the Year
Environment Section, American Public Health Association

2015 Delta Omega
National Honor Society for Public Health

2011 Arthur Kouguel Memorial Prize
Department of History, Johns Hopkins University
Best Undergraduate Thesis

Publications

* Authors contributed equally.

Teaching

Guest Lectures

2021 Risk Assessment in Agency Decision-making
 Course: Food Systems and US Environmental Law
 Columbia Law School
 Instructor: Peter Lehner

- 2021 Risk Assessment in Agency Decision-making
Course: Food Systems and Environmental Law
Yale Law School
Instructor: Peter Lehner
- 2020 Risk Assessment in Agency Decision-making
Course: Food Systems and US Environmental Law
Columbia Law School
Instructor: Peter Lehner
- 2019 Risk Assessment in Agency Decision-making
Course: Food Systems and US Environmental Law
Columbia Law School
Instructor: Peter Lehner
- 2017 Childhood Lead Poisoning
Course: Risk Policy, Management, and Communication
Johns Hopkins Bloomberg School of Public Health
Instructor: Dr. Mary Fox
- 2011 Public Health and the Regulation of Concentrated Animal Feeding Operations
under the Clean Water Act
Course: Food Production, Public Health, and the Environment
Johns Hopkins Bloomberg School of Public Health
Instructors: Dr. Bob Lawrence, Dr. Keeve Nachman, Dr. Polly Walker

Teaching Assistantships

- 2023 Molecular Epidemiology & Biomarkers in Public Health
Johns Hopkins Bloomberg School of Public Health
Instructor: Dr. Jessie Buckley
- 2022 Molecular Epidemiology & Biomarkers in Public Health
Johns Hopkins Bloomberg School of Public Health
Instructor: Dr. Jessie Buckley
- 2021-2022 Exposure Sciences & Environmental Epidemiology Journal Club
Johns Hopkins Bloomberg School of Public Health
Instructor: Dr. Genée Smith
- 2021 Environmental & Occupational Epidemiology
Johns Hopkins Bloomberg School of Public Health
Instructors: Dr. Eliseo Guallar, Dr. Chris Heaney
- 2014 Introduction to the Risk Sciences & Public Policy
Johns Hopkins Bloomberg School of Public Health
Instructors: Dr. Tom Burke, Dr. Mary Fox, Dr. Keeve Nachman

- 2014 Introduction to the Risk Sciences & Public Policy (Online)
 Johns Hopkins Bloomberg School of Public Health
 Instructors: Dr. Tom Burke, Dr. Juleen Lam
- 2013 Introduction to the Risk Sciences & Public Policy
 Johns Hopkins Bloomberg School of Public Health
 Instructors: Dr. Tom Burke, Dr. Mary Fox, Dr. Keeve Nachman
